

Add new claims 12 and 13 as follows:

12. A method for obtaining audience data on TV programs according to claim 2, wherein said first step includes automatically obtaining said TV program table data, and said forth step includes automatically performing the transmission to the collection center, both by making use of opportunities of the viewer's accessing the Internet.

13. A device for obtaining audience data on TV programs according to claim.7, wherein said program table data obtaining means acquires said TV program table data by making use of opportunities of the viewer's accessing the Internet.

REMARKS

The above amendments are presented in order to put the multiple dependent claims in non-multiple dependent format.

Respectfully submitted,

James H. Walters, Reg. No. 35,731
